Minutes and Discussion

1. President selection

- The committee voted on the list of possible presidents
- The results are: Sergey Mozgovoy first; Nicolas Mascot second; Florian Naef third; Chaolun Wu fourth

2. Honorary members

- Lucy Garrett is made an honorary committee member.
- Ella Clarke and Evin Fleming are also voted to be honorary committee members.

3. Involving the problem solving group more

- Elias proposed to make one of the problem solving guys an honorary committee member to recognize their involvement in mathsoc.
- Sahna proposed instead to invite them periodically to committee meetings to let them have a voice, without giving them official titles.
- A sub-committee to focus on their involvement was proposed, to avoid them interacting with the entire committee.
- It was discussed to promote problem-solving to the wider community.
- It was discussed talking to the school of maths about using the maths help room more for problem solving-like events.
- Sahna proposed finding out if the placement for the maths education module could be done in the mathsoc as revision sessions for earlier years.

4. Inclusivity subcommittee

- Hera, Sahna and Ronja want to be part of the inclusivity subcommittee
- There was talk of getting to girls schools about maths olympiads, maybe worth it to reach out to Manya Sahni O'Hara and Tristan McLoughlin as they had proposed similar initiatives.

Any Other Business
